8) The Agent of the Bangalore Malt appears to labour under a misapprehension. No "license" is required under the Regulations to enable any one to keep or own a motor car. All motor vehicles are required to be "registered" but this is a measure intended primarily to enable the Govt to know what are the vehicles kept in the State and who keeps them the information in other words, is required for statistical

purposes, and no question of status or prestige ~~should~~ is involved in the matter. Even Govt. cars (as I understand the Notification of 29th Aug 1914) must be registered; it is the payment of reg. fees from which they are exempted, and that for a fairly obvious reason which cannot apply to other persons or institutions than the Govt. "Licenses" are only required of drivers of motor vehicles; the object of this is, among other things, to ensure a proper standard of efficiency, carefulness, regard for the safety of the public and other qualities in the driver that it is necessary to insist upon in the interests of the public; it is hardly reasonable to suggest that those qualities may be dispensed with when the driver happens to be employed by a Matt or a high personage. My impression is that there is no exemption yet granted even in regard to the drivers of Govt or Palace cars; but possibly the Asst Secy may be speaking with reference to some specific order of which I have not yet seen

The Asst Secy's Secretariat tells me that there is no such order as yet. 8/8/18

the Maharaja of Mysore,

BANGALORE.

Sir,

I have the honour to state that as, the Government are aware, Sringeri is a place of great religious importance as being the seat of Adwaita Philosophy, attracting not a few influential followers from all parts of India. The Government are to be congratulated and thanked for running a tramway line from Tarikere to Narasimharajapura for the convenience of the travelling public. As there are no proper conveyances in these parts facilitating the easy and comfortable travel of the more prominent and influential of the disciples of the Matt from Narasimharajapura to Sringeri, the Matt has recently purchased a Motor Car purely to meet their convenience. Under the provisions of the Mysore Vehicles Regulation, a license has to be obtained by the Matt Authorities in respect of the car. It need hardly be submitted that considering the status and prestige of this ancient Institution, Government have been hitherto not laying any restrictions on the liberties of the Matt, I request that consistently with this attitude, Government may be graciously pleased to issue early orders exempting the Motor Car of the Matt from the operation of the provisions of the Mysore Vehicles Regulation No. IV of 1913 and rules thereunder.

I have the honour to be,
Sir,
Your most ob dient servant
